

Transportation Security Council...Securing the Supply Chain

Join the TSC Today!

Who is TSC and What Does It Do?

The ATA Transportation Security Council is THE national non-profit organization dedicated exclusively to establishing and advancing those policies and practices that achieve maximum security (supply chain, personnel, cargo, truck, facility, data and homeland security), effective risk management and loss control, cargo theft reduction, successful claims management, and a secure workplace. It creates member value through research, education, information dissemination, peer and law enforcement interaction, consensus building and incentive programs which inspire excellence and contribute to a more secure and profitable industry and nation.

What Benefits Do You Enjoy as a Member?

- **Access** to operational and policy experts to answer your questions
- **Cargo Incident Flash** – a members-only on-line cargo incident reporting system. Cargo Incident Flash allows TSC members to quickly, privately and anonymously communicate incidents of facility break-ins, cargo theft, violence, surveillance and other suspicious activities amongst themselves in real time. Incidents submitted through this system allow TSC's staff to deliver aggregated and anonymous monthly reports to members, facilitating analysis of trends involving cargo thefts, break-ins and other incidents by multiple criteria.
- **Timely updates** on ever-changing legislation, regulations, legal cases, cargo thefts and news – conference calls, e-mail alerts, webinars, web site, etc.
- **Bi-monthly newsletter** with two posters; **quarterly journal** - *Driven*
Opportunity to **exchange real-world wisdom and experience** and provide input to industry best practices, policies, regulations, legislation, etc.
- **Membership** in Technical Committees (e.g., Homeland Security, Cargo Theft, Freight Claims/Loss Prevention, and Education Development)
- Involvement in joint industry-law enforcement **initiatives** that seek to prevent and respond to cargo theft (training, cargo theft database evaluation, state cargo theft legislation, law enforcement scholarship, resources, etc.)
- **Participation** in the Motor Carrier Freight Claims Survey/benchmarking
- **Professional development** through education, alliances and collaboration with fellow shippers, carriers, brokers, government agencies, law enforcement, etc.
- **Awards** and Recognition Programs
- Online Membership **Directory**
- **Member discounts** on conferences, programs, webinars, products, exhibit space, and ATA Business Solutions Featured Products
